PERIODIC REPORTING  
(PROPOSAL TWO)

Docket No. RM2015-10

NOTICE OF THE UNITED STATES POSTAL SERVICE OF FILING OF REVISED  
PREFACE TO USPS-RM2015-10/NP1 – ERRATA

The United States Postal Service hereby gives notice of the filing today of a revised Preface to USPS-RM2015-10/NP1. The contents of the folder are unchanged, but a portion of the Methodology description in the Preface has been updated. The revised portion consists of a list (reproduced from the ICRA folder in the ACR docket) of rulemaking dockets over the years which have had an impact on the ICRA. It has been brought to the attention of the Postal Service that the list was incomplete and needed other minor revisions. The changes in the Preface are entirely unrelated to Proposal Two. The supplemental disk and replacement hard copy pages submitted today provides a substitute Preface, but the disk does not contain the other (content) files from the original folder, which are unchanged.

Respectfully submitted,

UNITED STATES POSTAL SERVICE
